Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE SHERIFF TO ACCEPT A GRANT AWARD FROM THE UNITED
STATES DEPARTMENT OF JUSTICE, OFFICE OF COMMUNITY
ORIENTED POLICING SERVICES AND APPROVE AN APPROPRIATION
ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff of Los Angeles County, as an agent for the County, to sign and accept a \$739,982 grant award from the United States Department of Justice, Office of Community Oriented Policing Services (COPS), with no local match required, to assist in the purchase of a fully integrated Laboratory Information Management System (LIMS) and Evidence Tracking System.
2. Instruct the Chair of the Board of Supervisors to provide a wet signature on the grant award document (Attachment I).
3. Authorize the Sheriff to execute all future amendments, modifications, extensions, and/or augmentations to said grant should such action(s) be required during the term of the grant.
4. Approve a Fiscal Year 2005-06 Request for Appropriation Adjustment in the amount of \$740,000, to be offset with the funds awarded to the Sheriff's Department by the COPS office (Attachment II).

A Tradition of Service

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

In March 2005, the COPS office invited the Los Angeles County Sheriff's Department to submit an application in response to their COPS 2005 Technology Grant Program solicitation. Under this program, the Department became eligible to receive \$739,982 in Federal funding, with no local match required. On March 29, 2005, your Board authorized the submission of the grant application to the Federal COPS office. In June 2005, the Department was officially notified of the grant award.

This grant funding will assist the Sheriff's Department in procuring a modern electronic management system and the state-of-the-art technical hardware required to support and enhance its operation. The current demand for case tracking, prioritization, and case assignment within the Department cannot be met with the current systems. Recent mandates enacted within California regarding time limits allowed to process DNA evidence and the rights of victims to be informed of the status of their DNA evidence have placed further demands on the system. The reality is that the Department is tasked with the analysis of evidence from criminal acts, mass disasters, and terrorist activities occurring within the County, and our current LIMS and Evidence Tracking System are inadequate.

Implementation of Strategic Plan Goals

The COPS 2005 Technology Grant Program supports the County's Strategic Plan. Specifically, with the support of this granty funding, the Department will be able to continue to realize the achievement of Goal #2: Workforce Excellence. The grant funds, directed at assisting in the purchase of a LIMS and Evidence Tracking System, will increase the operational effectiveness and efficiency of the Department.

FISCAL IMPACT/FINANCING

The COPS 2005 Technology Grant Program will provide \$739,982 in grant funding to the Department to assist in the procurement of a LIMS and Evidence Tracking System. The remaining amount needed to purchase the system will be funded by the Department's Narcotics Forfeiture Fund.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The grant award period is for three (3) years, from December 8, 2004, to December 7, 2007. Grant award documents were received from the Federal COPS office on June 29, 2005. County Counsel has reviewed and approved as to form the grant award documents and Board Letter. County procurement guidelines will be followed in the

purchasing of the system. The Chief Information Office has been contacted and will be updated throughout the process.

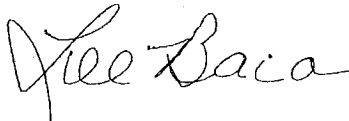

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This funding will have a positive impact on current services within the Department as it would satisfy the need for a modern LIMS and Evidence Tracking System. The integration of case and evidence tracking, personnel deployment, and web-based accessible laboratory management information into one system would greatly enhance the services to the residents of Los Angeles County.

CONCLUSION

Upon approval by your Board, the Department requests that your Board please provide four (4) individually adopted copies of this action and the original grant award document to the Sheriff's Department. The Department's contact for this requested Board action is Michelle Day, Grants Manager, at (323) 526-5212.

Sincerely,
